

DIRECTOR'S REPORT

SBC 2010 IS NOW HISTORY. Without question, it was one of the most unusual meetings I have ever attended. I want to commend Dr. Ted Traylor for giving this meeting a personal touch for us. Not only was Ted nominated for president, but also served on the Great Commission Resurgence Task Force. I was disappointed that Ted was runner-up, but join him in asking you to pray for Dr. Bryant Wright, new SBC president. As for the GCR report, space here does not allow for even the briefest discussion. I have a couple of areas of concern, particularly in the area of Cooperative Program giving, and funding structures for NAMB. I hope and pray that God will continue to use Southern Baptists in even greater ways to expand His Kingdom and make His name famous around the world.

CONGRATULATIONS TO BRO. CHARLES MITCHELL on the occasion of his 24th anniversary as pastor of Lakeview Baptist Church, and to Charles and Lynn on their 25th wedding anniversary. Thank you Charles for your faithful service to the Lord Jesus and to the people at Lakeview.

IT'S MONDAY, THE DAY AFTER OUR FATHER'S DAY OFFERING. So far, with 12 congregations reporting in, we have received \$46,000 towards our \$75,000 goal! God bless you folks! Our Health and Hope Clinic will receive every dime given to help meet the needs of our ever increasing number of patients. I remain confident that through the generosity of God's people, this need will be met. Thank you for giving to the Lord!

PLEASE PAY CAREFUL ATTENTION TO THIS NEWS. THIS WILL BE THE LAST TIME YOU WILL RECEIVE THE PBBA NEWSLETTER THROUGH THE FLORIDA BAPTIST WITNESS, at least for the foreseeable future. This is strictly a cost cutting measure for us. We continue to be extremely pleased with the professionalism, journalism, and customer service of the Witness. In the future, our newsletter will only be available by email or through our website. If you wish to continue to receive the newsletter, please let us have your email address. If you wish to continue to receive the Florida Baptist Witness, please contact them about a personal annual subscription. These are days of amazing mission opportunities. We must communicate with each other. Although our financial resources are limited at the present, we are committed to doing everything possible to stay connected.

HOPE TO SEE YOU ON THE 4TH OF JULY!
